BEACH UMBRELLA

01-26

Beach umbrella is mainly used to prevent the sun's rays directly from the beach. The beach umbrella is designed according to the yard umbrella. But now in a minimalist style continuous promotion and commercial leisure industry development, beach umbrella has been widely used in the beach, beautiful shape, effective sun shading effect, inexpensive outdoor commercial advertising use more conducive to continue to promote this.

TENT

27-35

A tent is a residence consisting of sheets of fabric or other material draped over, attached to a frame of poles or attached to a supporting rope. tents may be free-standing or attached to the ground. First used as portable homes by nomadic peoples, tents are now more often used for recreational camping and temporary shelters.

GAZEBO

36-38

Gazebos are freestanding or attached to a garden wall, roofed, and open on all sides. They provide shade, shelter, ornamental features in a landscape, and a place to rest. Some gazebos in public parks are large enough to serve as bandstands or rain shelters.

RAIN UMBRELLA

39-40

Umbrellas and parasols are primarily hand-held portable devices designed to shield an individual from sun or rain, and are sized for personal use. Umbrellas now, more and more style and function, like windbreaks, rain-proof, uv protection, convenient, decoration and so on.

UMBRELLA ACCESSORIES

41-42

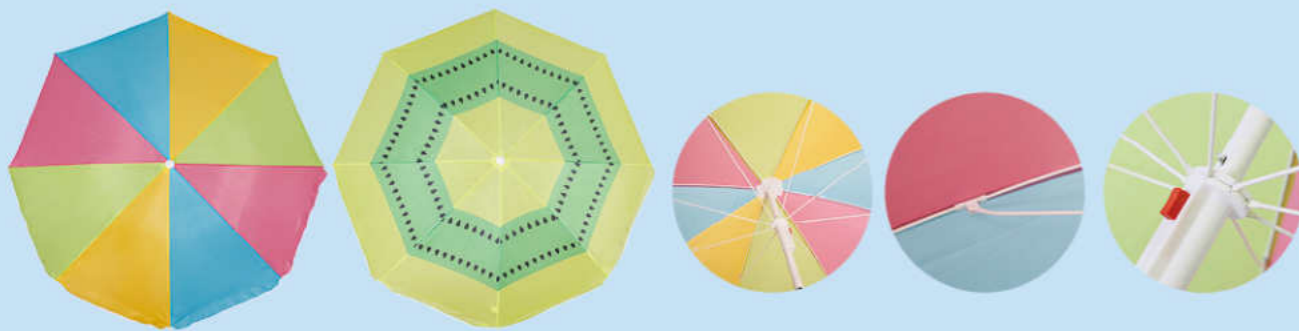

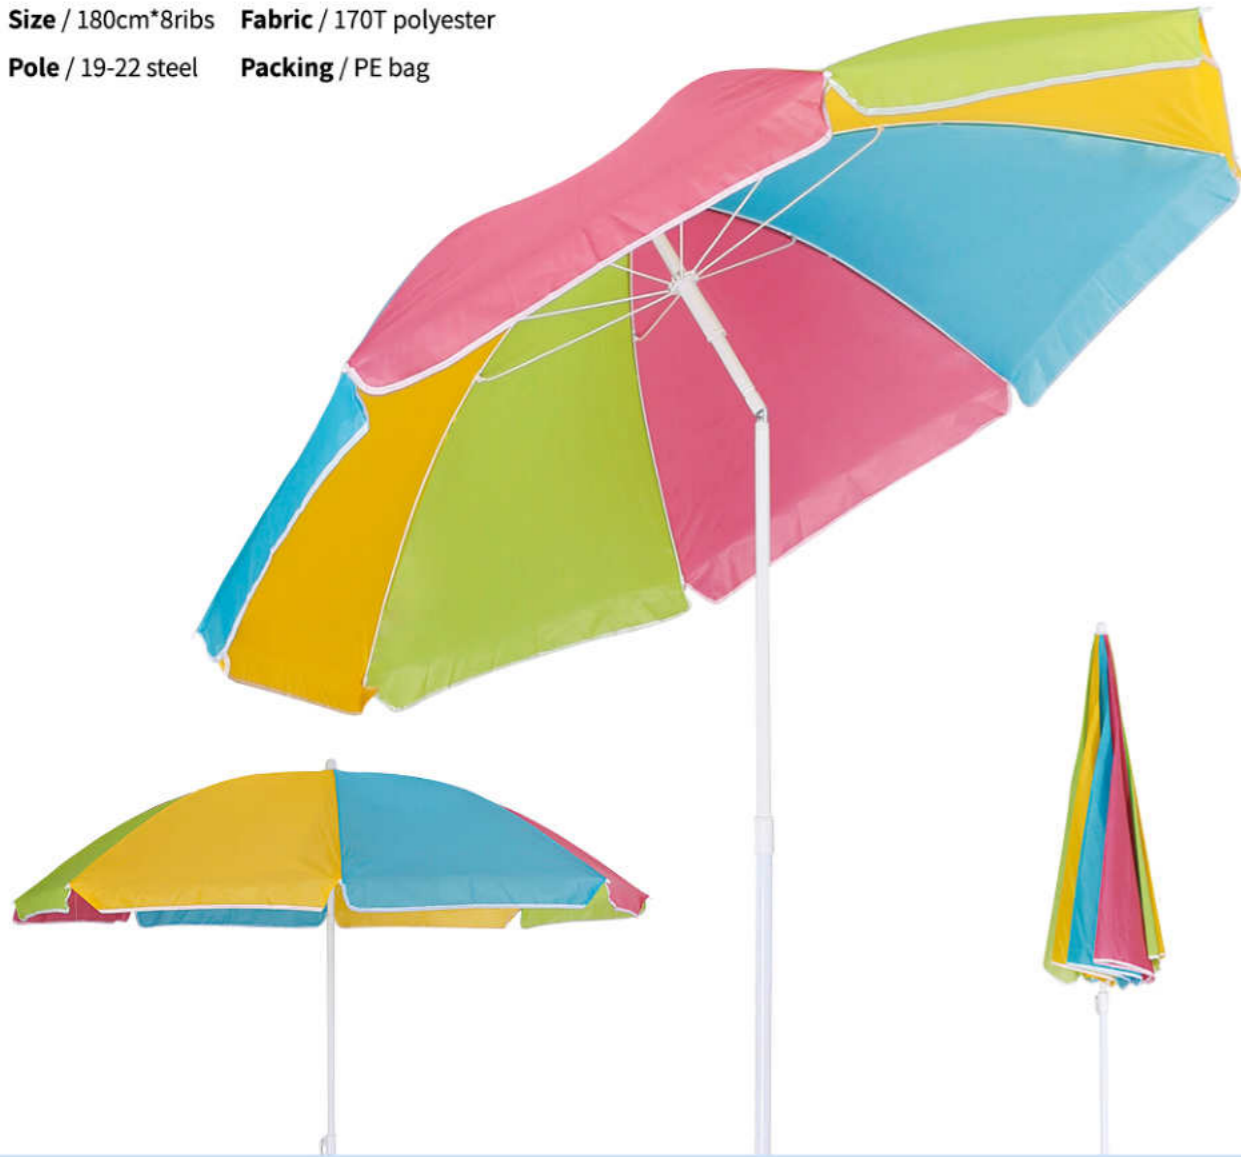

Umbrella accessories are essential parts of the umbrella, not only have a wide variety of shapes and colors, but also have the price competitive advantage. They can match into different types of custom umbrellas, completely satisfy personal customized requirements, of course they also could be a single sales.
